

CHEVRES AND FROMAGE BLANCS

FROM THE ADIRONDACKS

NETTLE MEADOW CHEVRES AND FROMAGE BLANCS are creamy, flavorful and delightful in both sweet and savory flavors. These are yet another form of Nettle Meadow's truly Artisan cheese - made, mixed and packed in small batches.

Nettle Meadow is first and foremost a farm and animal sanctuary, home to hundreds of goats and sheep who contribute daily to so many of our wonderful cheeses. Available in several great flavors including Lightly Salted, Mixed Herbs, Garlic and Oil, Maple, and Honey Lavender Fromage Blanc (Silver Sofi Winner, and New York State Fair Award of Excellence, 2018).

In 2021, we added four fabulous flavors while collaborating with Blake Hill Jams: Caramelized Onion, Fresh Tomato, Dandelion Infused Rhubarb & Honey, and Lemon Cardamom.

So far in 2022, we have added a delightfully refreshing Hibiscus Ginger with Honey and Lemon.
